

Introduction

The Consortium for enhancing University Responsiveness to Agribusiness Development Limited (CURAD) is a not for profit public-private partnership company initiated, hosted & promoted by Makerere University, the National Union of Coffee Agribusiness and Farm Enterprises Limited (NUCAFE), and National Agricultural Research organization (NARO). CURAD is one of the six agri-business incubators in Africa started and supported by the African Union through the Forum for Agricultural Research in Africa under the UniBRAIN facility with funding from the Danish foreign affairs office - DANIDA international. CURAD in its' quest for promoting Agri-business in Uganda and Africa as a whole is proud to announce the 1st National Agri-business Conference which will aim to bring together a variety of Agri-business players and promoters to deliberate upon the Agri-business sub sector in Uganda with a slight bias towards Agribusiness incubation and youth employment. The conference will be complemented by an exhibition, Coffee Value Chain.

Conference Sub Themes

- Agri-business Incubation and Youth Employment
- Turning Research Innovation into Agri-business
- Value addition and Agri-business Incubation
